*Allowable Subject Matter*

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicant has amended the instant independent claims to clarify the two types of indicators, and has persuasively argued that the cited references do not teach the two indicators as instantly claimed. Therefore, the rejections of record have been dropped. The prior art or record fails to teach or suggest to one of ordinary skill in the art to prepare a material having one label comprising the two separate and distinct types of indicators described by the instant claims. The examiner has updated the search of the prior art, but no new relevant references comprising a label integrating indicators as instantly claimed was found. Therefore the instant claims 1-20 are now allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Amanda C. Walke whose telephone number is 571-272-1337. The examiner can normally be reached on M-R 5:30-4.
